Earning TAP Miles&Go Miles

How you can earn Miles: You will earn TAP Miles&Go Miles ("Miles") on Eligible Purchases of products and services, minus returns, refunds or disputed charges, made with your TAP Miles&Go American Express Card. Buying products and services with your Card, in most cases, will count as an Eligible Purchase; however, the following types of transactions will not count and will not earn Miles: balance transfers, cash advances and other cash-like transactions, lottery tickets, casino gaming chips, race track wagers or similar betting transactions, crypto-currency transactions, any checks that access your Card Account, interest, unauthorized or fraudulent charges, and fees of any kind, including an annual fee, if applicable.

Miles are earned as follows:

- You will earn 1 Mile for each \$1 spent on Eligible Purchases.
- You will earn a total of 2 Miles for each \$1 spent on Eligible Purchases charged with merchants whose merchant code with American Express is classified as hotels, car rental agencies, or rideshare services including Lyft and Uber.
- You will earn a total of 3 Miles for each \$1 spent of Eligible Purchases charged directly with TAP or through a TAP channel. Please note that certain on-board or in-flight purchases may be processed through a third-party merchant and thus would not earn 3x Miles
- Miles are rounded down to the nearest dollar (for example, a \$45.85 eligible purchase would earn 45 Miles).

Information about earning/transferring Miles to TAP: Miles earned during a billing cycle are generally transferred to TAP after the end of each billing cycle but may take up to 12 weeks after the close of the billing cycle. **Losing Miles:** You will immediately lose all Miles that have not been transferred to TAP if your TAP Miles&Go American Express® Credit Card status changes, or your Account is closed for program misuse, fraudulent activities, failure to pay, bankruptcy or other reasons described in the terms of the

[Cardless TAP Miles&Go Reward Program Agreement](#). For more details, refer to the [Cardless TAP Miles&Go Reward Program Agreement](#).

Rewards Categories: Merchants who accept American Express cards are assigned a merchant identifier, which is determined by the merchant or its processor in accordance with American Express procedures. We use merchant identifiers for the purpose of making rewards offers to you. Purchases submitted by you, an authorized user, or the merchant through third-party payment accounts, mobile or wireless card readers, online or mobile digital wallets, or similar technology will not qualify in a rewards category if the technology is not set up to process the purchase in that rewards category. Please note that we make every effort to include all relevant merchant codes in our rewards categories. However, even though a merchant, or some of the items that it sells, may appear to fit within a rewards category, the merchant may not have a merchant code in that category. When this occurs, purchases with that merchant will not qualify for rewards for purchases in that category.

Flight Redemption, Pricing, and Fees

As long as tickets are still available for sale for the applicable cabin on any TAP-operated flight, TAP Miles&Go Programme members can use Miles to book travel on such flights. The number of Miles required to redeem a flight may vary depending on the destination and the availability of products and/or services, extra campaigns, and other factors of TAP and partner airlines. Eligible flights include flights operated by TAP and its affiliated carriers. Award pricing is subject to change without notice. Awards on partner-operated flights and upgrade awards are subject to limitations and restrictions. Passenger is responsible for all taxes, fees, baggage fees and surcharges applicable to award travel, including, with respect to any government imposed taxes or fees, or airport charges. Such taxes, fees and surcharges must be paid at the time of ticketing and are subject to change. Cardless is not responsible for the provision of, or failure to provide, the stated benefits.
